Florida Tech

Sarah Ayers
150 West University Blvd
Melbourne, FL 32901
321-961-7424
sayers@fit.edu
www.floridatech.edu/behavior

"Behavior analysis is one of Florida Tech's signature strengths. We are proud of our graduates and continuing students, whose successes have helped Florida Tech earn worldwide acclaim as a premier provider of behavior analysis education and training.

Behavior analysis makes a difference. It is the science behind why people do what they do. When you earn a degree or continue your training in the field of behavior analysis at Florida Tech, you enhance your ability to help children, families, organizations and your community navigate the world with comfort, confidence and success"

Still Family, LLC

Charrisse Somme
2121 Eastchester Drive Suite 107
High Point, NC 27265
336-978-5783
charrissesomme1@stillfamilyoc.com
www.stillfamilyoc.com

Our mission is to develop a positive relationship that fosters the growth and development of each individual that utilizes our service. By assisting those individuals, we can offer advocacy, education, and emotional support to improve their quality of life. Our organization has been in existence for over fifteen years serving those with dual diagnosis who may also present with behavioral challenges. We specialize in working with those individuals that are identified as difficult to serve and require tailor made treatment.

Bronze Level Sponsors

AAIDD (American Association on Intellectual and Developmental Disabilities)

Zach Gordon
8403 Colesville Road

What is the value of having a partner that gets you? Working with a company that understands your industry - and understands your unique niche inside that industry - can make all the difference. OnTarget is a complete solution for the I/DD and Mental Health service providers.

Clinical Management, Billing, Payroll, AP & GL, Web Forms, and more. Designed from the ground up specifically for I/DD agencies like yours. No more paper records. Support for I/DD programs. Everything in one place. Services: Client records, Electronic billing.

Aymira Healthcare's integrated EHR, OnTarget, puts the operation of your entire agency in one location. Clinical documentation, Quality Management, Billing, Human Resources, Payroll, and Financial Management are integrated into one platform. Through the use of OnTarget, your agency will see significant improvements in operational efficiencies, increased financial results and enhanced clinical outcomes. OnTarget is designed by an IDD agency specifically for this unique market.

Aymira Healthcare Technologies' complete software solution for the I/DD and Mental Health service providers is called OnTarget. OnTarget has everything you need to manage your business. Clinical Documentation, Time Sheets, Scheduling, Personnel Records, Billing, Payroll, AP&GL, Webforms and much more.

Project TEDD: Training Educators in Dual Diagnosis

Stephanie Barbre
Texas Tech University College of Education P.O. Box 41071
Lubbock, TX 79409
(806)834-1702
stephanie.barbre@ttu.edu
www.projecttedd.org

Project TEDD is an initiative to enhance the competencies of educators in K-12 settings who work with students with intellectual and developmental disabilities and co-occurring mental health conditions. The project will provide Texas special education teachers with necessary skills for recognizing, understanding, and working with students with dual diagnosis.

Bronze Level Sponsors

SimplyHome

Emily Danciu-Grosso
48 Fisk Drive
Arden, NC 28704
828-808-5411
emily.danciu-grosso@simply-home.com
www.simply-home.com/

SimplyHome designs and installs innovative and affordable technology solutions that transform how we care for individuals with disabilities. Our technology empowers individuals while addressing the concerns of caregivers. SimplyHome's sensor-based systems can adapt over time to support independent living skills while alleviating concerns about cooking safety, medication adherence, and the risk of wandering or falls. Caregivers are notified only when they are needed, promoting the highest level of independence possible for the individual.

Wright State BSOM Department of Psychiatry

Julie Gentile
2555 University Blvd., Suite 100
Fairborn, OH 45324
937-775-7792
julie.gentile@wright.edu
www.medicine.wright.edu/psychiatry

Our mission is to teach and study mental health, mental illness, and treatment. We accomplish that mission through: Preparing residents to be psychiatrists informed by knowledge, sensitivity, skill, and skepticism; Performing clinically based research into normal and abnormal mental functioning and treatment of mental disorders; Teaching medical students about human development, mental illness, and the psychiatric aspects of illness and health; Attracting graduate medical residents who share our vision of scholarship, practice, and service; Fostering academic affiliations with other providers and community organizations; and Promoting interdisciplinary and interfacility collaboration.

SteadyCare

Patricia Marrin
P.O. Box 1176
Lynnfield, MA 01940
978-968-2800
pmarrin@steadycare.com
www.steadycare.com

SteadyCare helps reduce agency risk by verifying & monitoring overnight staff for presence, location & awake status during their night shift. Increase safety & accountability by knowing when employees arrived, if they're awake & still present. Alerts notify you of missed check-ins. View dashboards, KPI's, Trending & Reports online.
